

# COVID-19 Update

## Mount Desert Island YMCA

Dear YMCA Members

The level of community transmission for COVID-19 in Hancock County has risen to **"high"** per the CDC.

For the safety of our community and the safety of our staff, **as of Tuesday the 7<sup>th</sup> we will be requiring ALL individuals to wear masks in our facility.**

At this time, recommendations for visiting the MDI YMCA are as follows:

- **Masks are required for vaccinated and non-vaccinated individuals**
- Practice frequent hand washing and use of hand sanitizer
- Personally wipe down all equipment before and after use
- Social distancing of 6ft is recommended
- Avoid close contact with people when possible
- Stay home if you have any cold or flu-like symptoms

**This mask requirement will be in effect until our County falls below RED or High COMMUNITY TRANSMISSION for a duration of seven continuous days.**

We appreciate your care and respect for your fellow Y community members as we continue to work together to maintain a safe environment for all of our MDI community.
